re: SENIOR FACULTY Position – application package enclosed

Ladies and gentlemen:

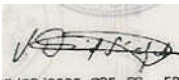

I wish to apply for a Professor position at your distinguished institution.. Enclosed is my curriculum vitae, along with a list of references, my statement of research interests, my statement of teaching interests, letters of recommendation, and sample publications.

My teaching and research experience includes different areas of Computer and Information Sciences, Electrical and Computer Engineering, and Aerospace Engineering. My professional experience has extensively covered the supervision, research, design, and development of telecommunications, software engineering, signal and image processing, computer vision and pattern recognition, robotics and control, intelligent / autonomous real-time systems, most of the time within the framework of space missions. My academic experience has included next to course teaching, the mentoring of graduate and undergraduate students, the organization and teaching of seminars, and the supervision of graduate theses.

I am very committed to pursuing a career in academia, and look forward to hearing from you regarding my application. I would be honored to be invited to a personal interview to discuss my teaching and research background in further detail. Please do not hesitate to call me at (650) 630-2746 or email me.

Thank you for your time and consideration.

Sincerely,

Prof. Dr. V. David Sánchez A., Ph.D.
